PERSONAL INJURY: CLIENT JOURNEY*

*Simplified Process if there are no disputes

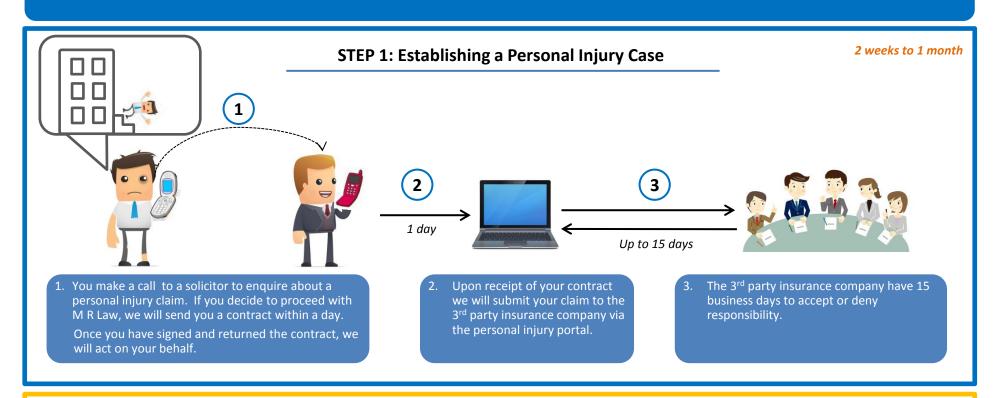

STEP 1: Establishing a Personal Injury Case

STEP 2: Investigating Injuries & Evaluating **Expenses**

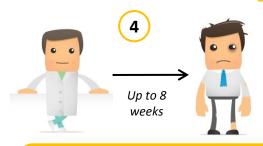

STEP 3: Settlement Negotiations & Paying Compensation

The straightforward personal injury claim process takes as little as 6 to 24 months or longer if there is a dispute

STEP 2: Investigating Injuries & Evaluating Expenses

1 to 4 months

Upon receipt of a response from the 3rd party insurers we will arrange a medical examination to assess your injuries.

It may take 4-8 weeks for the expert to examine you.

The medical experts will assess your injuries and send a report to M R law who will forward it to you immediately.

6. We will assess your injuries and out of pocket expenses together with any treatment recommendations and longer term needs.

STEP 3: Settlement Negotiations & Paying Compensation

1 week to 2 months

15 days

9

Immediately, upon your approval of the medical report and valuation these will be submitted to the 3rd party insurers.

valuation or submit a counteroffer.

If accepted, the 3rd party insurance company pays your agreed compensation and our costs immediately.

If a counteroffer is received, we will notify you immediately and swift negotiations may take place until an agreement is reached.
